Performance Metric 3 (if applicable)	<p>4) Employment and Credential Rate*</p> <p>*The performance metrics are measured using Unemployment Insurance Wage Data. Department of Labor (DOL)–mandated performance outcome measures for participants served through WIA activities are reported on a quarterly and annual basis. Outcomes for each measure are calculated for a four-quarter period and reporting periods are staggered depending upon the data that is required for outcome calculation. Those four-quarter reporting periods advance one quarte</p>
Program/Grant Administration	The Workforce Investment Act (WIA) Dislocated Worker program increases the employment, retention and earnings of unemployed and employed adults registered under the program. Under the Recovery Act, local areas are required to give low-income persons and public assistance recipient's priority of service in the Dislocated Worker program. Funds are distributed by formula to states, and then 85% is formula-allocated to local workforce areas, which operate One-Stop Career Centers that provide comprehensive services to workers and employers.
Sub-grantee Application Deadline	Deadlines for sub-grantee applications are not applicable as funds are formula driven to the local workforce areas. Each local may establish deadlines for funding activities based upon specifications determined by their respective local Workforce In
Sub-grantee Selection Criteria	<p>Each of the three Local Workforce Investment Areas is governed by a local WIB that establishes policies and selection criteria within the framework of federal WIA regulations. State level funding for Incumbent Worker Adult programs is administered on a "first-come, first served" basis as funds are available.</p> <p>The WIA State level is currently engaged in agreements with the Jefferson County Commission and Mobile Works, Inc to conduct workforce programs within their areas. Other agreements include the Alabama Workforce Investment Area for career center services and other workforce programs, the Department of Postsecondary Education for ITA payment services. Six contracts with private sector companies to provide incumbent workers with skills-up-grade are funded with the 15% Governor's setaside funds.</p>
Number of sub-grantees / sub-recipients	The Alabama Workforce Investment Area completed contract negotiations with twenty-two providers of "stand-alone" projects. Most of the projects began training activities on October 1, 2009. Six providers will begin training on November 1, 2009.
Other Information	Regarding Performance Metrics - the Workforce Development Division of ADECA is required to submit monthly reports to the U.S. Department of Labor (USDOL). The USDOL, in turn, submits these reports to the Office of Management and Budget (OMB).
